For the record: Because  
of the heavy DCI work load  
in preparing for his forth-  
coming trip, this action was  
discussed during 27 Apr 79  
Staff Meeting. The DCI  
approved going forward to  
OMB on the basis of Option A.  
He stated that we can always  
fall back to Option B. if  
OMB denies our request for a  
waiver for outlying areas.
